Identification and Expertise of Affiant:

Your Affiant, Paul Zelis, has been regularly employed as a law enforcement officer by Santa Barbara County for ten years. Your Affiant started his career with the Santa Barbara County Marshal's Office in May of 1993. He became a Sheriff's Deputy with the County of Santa Barbara in late 1996 when the Marshal's Office consolidated with the Sheriff's Department. During this time period, your Affiant has investigated numerous property crimes and crimes against persons, including burglary, child molest, theft, assault, domestic violence, narcotic and drug violations. As a result of these investigations, your Affiant has made hundreds of arrests for the various crimes.

Your Affiant has attended the basic law enforcement training academy and possesses the Basic and Intermediate P.O.S.T. Certificates. Your Affiant has attended specialized courses, including Homicide Investigation (80 hrs.), and Sexual Assault Investigation (40 hrs.). Your Affiant attends regular in-service training.

Your Affiant has been a detective for the past two years with the Criminal Investigations Division, and has acted and received the information set forth in this affidavit in that capacity. The following is a synopsis of events, individuals and timeframes set forth in the more detailed account of the investigation, which your Affiant believes establishes probable cause for the issuance of the requested search warrants for several locations and the arrest warrant for Michael Joe Jackson.

7
8 R: Invoices, billings, and cancelled checks,

9
10
11

14 A: I will so incorporate.
15

16 F: Thank you. Um, and briefly, why is it that you believe that you might find
17 this material, much of which was described in the earlier search warrant in
18 this
19

20 R: Because I have spoken to the sergeant in charge down there. During the
21 search they were not able to find any of the items listed in the initial

9

10 R: That is correct.

11

12 F: I have no further questions.

13

14 A: Uh, I have a question. Do you know, Sergeant Robel, that uh, there was
15 mention made of another uh, I trust that you are asking by
16 way of this addendum uh, only to uh, find probable cause for uh,

18

19

20 F: Yes.

21

22 R: ?

23

24 R: Yes, Your Honor.

25

26 A: Okay. So I am going to make the finding of probable cause, uh, I, uh, Mr.
27 Franklin you said I was incorporating this into the uh, affidavit and

4
5 F: Uh, would you further authorize the investigating officers down there to
6 photograph or video tape the interior and the exterior of that
7 and photo document any personal property that they observe in
8 the course of their search?

9
10 A: Yes. I so authorize.
