Defendant's Opposition to Exclude Reference to Jane Doe's Refusal to Waive Attorney Client Privilege, filed contemporaneously with this Request for Conditional Sealing, be maintained under conditional seal until further order of court, pursuant to California Rules of Court, rule 243.1 et seq.

The motion will be made on the ground that the facts, as established by the accompanying declaration of Gerald McC. Franklin, are sufficient to justify sealing the Reply pursuant to California Rules of Court, rule 243.1 et seq.

The motion to conditionally seal will be based on this notice of motion, on the declaration of Gerald McC. Franklin and the memorandum of points and authorities served and filed herewith, on the records and the file herein, and on such evidence as may be presented at the hearing of the motion.

DATED: February 9, 2005

1. I am a lawyer admitted to practice in the State of California. I am a Senior Deputy of the District Attorney of Santa Barbara County. I am one of the lawyers of record for

the People, Plaintiff in this action.

I, Gerald McC. Franklin, say:

2. Plaintiff's Reply to Defendant's Opposition to Exclude Reference to Jane Doe's Refusal to Waive Attorney Client Privilege, filed contemporaneously with this Motion to Conditionally Seal, is made on the ground that Plaintiff's Reply to Defendant's Opposition to Exclude Reference to Jane Doe's Refusal to Waive Attorney Client Privilege makes reference to evidentiary facts not yet made public, and to the names of potential witnesses.

- 3. I believe that the interest of each party to a fair trial dictates that Plaintiff's Reply to Defendant's Opposition to Exclude Reference to Jane Doe's Refusal to Waive Attorney Client Privilege should remain under conditional scal until the appropriateness of scaling the document and the release of a redacted version of the Reply is determined by the Court.
- 4. I believe an order maintaining Plaintiff's Reply to Defendant's Opposition to Exclude Reference to Jane Doe's Refusal to Waive Attorney Client Privilege under seal in the interim would avert the probability of prejudice, and that no more narrowly tailored order with respect to that pleading could be drafted to achieve the overriding interest in a fair trial.

I declare under penalty of perjury under the laws of California that the foregoing is true and correct, except as to matters stated upon my information and belief, and as to such matters I believe it to be true. I execute this declaration at Santa Barbara, California on February 9, 2005.

MEMORANDUM OF POINTS AND AUTHORITIES

The procedure for sealing records under California Rules of Court, rule 243.1 et seq. applies only to records that are deemed public. (Id., rule 243.1(a)(2).) Motions and responsive pleadings in criminal cases are, ordinarily, "public" records of the court.

Rule 243.1(d) provides that

The court may order that a record be filed under seal only if it expressly finds facts that establish:

- (1) There exists an overriding interest that overcomes the right of public access to the record;
 - (2) The overriding interest supports scaling the record;
- (3) A substantial probability exists that the overriding interest will be projudiced if the record is not scaled;
 - (4) The proposed sealing is narrowly tailored; and
 - (5) No less restrictive means exist to achieve the overriding interest.

Rule 243.1(e) provides, in pertinent part:

(1) An order sealing the record must (i) specifically set forth the facts findings that support the findings and (ii) direct the sealing of only those documents and pages, or, if reasonably practicable, portions of those documents and pages, that contain the material that needs to be placed under seal. All other portions of each documents or page must be included in the public file.

Rule 243.2(b) provides, in pertinent part, that "Pending the determination of the motion [of a party to file a record under seal], the lodged record will be conditionally under

seal." 1111 1111 1111
