SUPERIOR COURT OF THE STATE OF CALIFORNIA,
IN AND FOR THE COUNTY OF SANTA BARBARA.

PEOPLE OF THE STATE OF CALIFORNIA,

Plaintiff,

vs.

MICHAEL JOE JACKSON,

Defendant.

Case No.: 1133603
ORDER RE PRODUCTION OF DOCUMENTS
PURSUANT TO APPLICATION FOR SUBPOENA
DUCES TECUM

On April 2, 2004, in Department 2 of the above-entitled court, Mr. James T. La Chance, of the Law Offices of Kirtland & Packard LLP, appeared pursuant to subpoena duces tecum, issued by Mark J. Geragos, representing defendant/respondent, Michael Jackson. Mr. La Chance appeared with four boxes of materials from his law firm's litigation file in the case identified on the subpoena duces tecum. Mr. La Chance represented to the Court that two boxes contained materials including discovery, deposition transcripts, pleadings and materials that were responsive to the subpoena, while the remaining two boxes of documents contained more sensitive materials, including medical records, psychiatric records, school records, employment records and depositions related to those records. Mr. La Chance further represented that he did not feel it was appropriate to produce the latter two boxes of records without a court order given the sensitive nature of the materials contained therein.
