22 Defense counsel have agreed that they will comply with the law under Evidence
23 Code section 702 (*Defendant's Reply* 2:10-15.) That is good to know because this fact was not
24 evident in light of the fact that defendant has failed to provide reports of any kind for almost
25 400 witnesses that are named on their witness list. Defendant makes several excuses for this
26 neglect while attacking the prosecution for defendant's own failing. None of this is germane to
27 the issue.

28 / / / /

1 As stated in the People's motion Evidence Code section 702 expressly provides:
2 "(A)gainst the objection of a party such personal knowledge must be shown before the witness
3 may testify concerning the matter." (Emphasis added.) The People have made their objection
4 under 702 and the burden is now on defendant to show personal knowledge for each of their
5 witnesses or accept the fact that they are incompetent to testify and should be excluded at trial.
