DECLARATION OF GERALD McC. FRANKLIN

I, Gerald McC. Franklin, say:

1. I am a lawyer admitted to practice in the State of California. I am a Senior Deputy of the District Attorney of Santa Barbara County. I am one of the lawyers of record for the People, Plaintiff in this action.

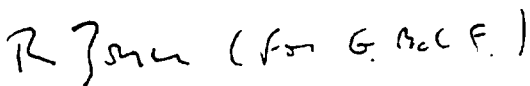

2. Defendant's "Motion Re: Admissibility of Evidence Related to George Lopez" was filed and served Tuesday, March 14, 2005. The notice of that Motion proposed that it be heard on March 17th.

3. I am informed, and thereon allege, that a conference call involving the Court, counsel for both Plaintiff and Defendant and counsel for one George Lopez was had very recently, concerning Mr. Lopez's proposed evidence, and that the Court directed Mr. Lopez's counsel to file and serve the written statement of his client before the Court took further action on Defendant's request for the admission of certain evidence concerning Mr. Lopez.

4. To my knowledge, no such statement has yet been dispatched by Mr. Lopez or his counsel, or received by the Court or counsel for the parties to this lawsuit.

5. I am informed by my co-counsel, who know more about the evidence in this matter than do I, and believe that the "facts" which Attorney Sanger alleged in his declaration supporting the pending motion and by Attorney Mesereau in his opening statement to the jury may not be correctly or fully stated. I am informed and believe that Mr. Lopez's statement likely will provide additional light and perspective on defense counsel's present view of matters.

I declare under penalty of perjury that the foregoing is true, except as to matters stated upon my information and belief, and as to such matters I believe it to be true. I execute this Declaration at Santa Barbara, California on March 16, 2005.

GERALD McC. FRANKLIN

1 MEMORANDUM OF POINTS AND AUTHORITIES

2 With certain exceptions that may or may not be pertinent here, all relevant evidence
3 is admissible in a California criminal trial. (Cal. Const., art. 1, § 28, subd. (d).)

4 Surely, there can be no argument with the proposition that the Court ought to know
5 as much as possible about the foundation of the evidence a party seeks to introduce before it is
6 introduced: that is why Evidence Code section 402 exists.

7 The preliminary showing made by Defendant in support of his pending motion
8 appears to be contradicted in pertinent part by the police reports attached as factual support for
9 the admission of the proposed evidence. There is no evidence that Mr. Lopez himself has been
10 interviewed. There is reason to believe that Mr. Lopez’s information, when it becomes
11 available, may weaken rather than strengthen the supposed relevance of his testimony to the
12 defense position in this lawsuit.

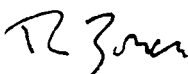

13 Be that as it may, a summary of Mr. Lopez’s information, provided by Mr. Lopez
14 himself, will surely be useful and may be critical to the Court’s assessment of the relevance of
15 his proposed testimony in this case.

16 For that reason, Plaintiff respectfully requests that the hearing of Defendant’s
17 pending motion be continued to a date convenient to the calendars of all concerned following
18 receipt of the anticipated written statement from Mr. Lopez.

19 DATED: March 16, 2005

20 Respectfully submitted,

21 THOMAS W. SNEDDON, JR.
22 District Attorney
