PRIVILEGE LOG FOR ITEMS SEIZED PURSUANT TO SEARCH WARRANT 5135

1 INTRODUCTION

2 We have not had adequate time to thoroughly examine all of the materials. In particular  
3 we have not had enough time to fully examine the four hard drives, of which we received copies  
4 on September 23, 2004. Furthermore, the government has seized a Clie, a personal digital  
5 assistant, and has not been able to download the information on that device nor provide us with  
6 access to it. Therefore, we are providing the following preliminary privilege log, but reserve the  
7 right to augment same at such time as we have additional information.

8 The following log represents items, as to which, Mr. Jackson specifically asserts the  
9 attorney client privilege, however, this does not limit the objections to the search and seizure of  
10 additional items and the observations of law enforcement officers made during the search on the  
11 grounds set forth more fully in the motion to suppress filed concurrently herewith.
