Box 5369 CITY AND ZIP CODE: Santa Maria, CA 93456-5369 BRANCH NAME: Cook Division	FOR COURT USE ONLY <b>FILED</b> SUPERIOR COURT OF CALIFORNIA COUNTY OF SANTA BARBARA  OCT 19 2004
People of the State of California v. Michael Joe Jackson	GARY M. BLAIR, Executive Officer BY <i>Carrie L. Wagner</i> CARRIE L. WAGNER, EXECUTIVE CLERK
<b>FINDINGS AND ORDER RE SEALING EMERGENCY APPLICATION FOR ORDER DIRECTING THAT MATERIALS SEIZED FROM SW NO. 5135 BE SEALED ETC.</b>	CASE NUMBER: 1133603

On September 16, 2004, Mr. Jackson filed an Emergency Application for an Order Directing that Materials Seized from SW No. 5135 be Sealed etc. The document was conditionally sealed on September 22, 2004. A redacted version was released on September 16, 2004. On October 14, 2004, the court granted the motion to seal the documents.

The Court makes the following findings:

The document in its unredacted form identifies a potential witness in this proceeding by name. The only matter redacted from this document was the name of that potential witness.

In this case, protection of the Defendant's right to a fair trial and protection of the identity of the minor complaining witness and his family overcomes the right of public access to the record. A substantial probability exists that those interests will be prejudiced if the record is not sealed as requested. The intensity of the media coverage in this case is unprecedented. Each court hearing is thoroughly reported and exhaustively analyzed by the media. It is substantially probable that if the evidence expected to be given at trial were to be released pretrial, it would be similarly reported and analyzed. The sealing order is necessary to maintain the integrity of the available jury pool by limiting its exposure to the expected evidence and testimony pretrial and to prevent exposure to inadmissible items of evidence. The Court has consistently held that because of the pervasive media coverage in this case, the Defendant's right to a fair trial outweighs public access. Those findings are relevant here and incorporated by reference. [See Findings and Order re: Motion for Protective Order, filed January 23, 2004 and Findings and Order re: Sealing of Search Warrant Materials, filed January 23, 2004]

There are no less restrictive means to protect those interests. The extraordinary circumstances present in this case overcome the presumption that cautionary admonitions and instructions to the jury pool would have a curative effect. It is far more desirable to avoid the prejudice in the first instance than to hope to identify unaffected jurors later.

The Court acknowledges that its order must be narrowly tailored to accommodate the maximum public disclosure. A redacted version of this document was released on September 16, 2004.
