1 DECLARATION OF GERALD McC. FRANKLIN

2 I. Gerald McC. Franklin, say:

3 1. I am a lawyer admitted to practice in the State of California. I am a Senior
4 Deputy of the District Attorney of Santa Barbara County. I am one of the lawyers of record for
5 the People, Plaintiff in this action.

6 2. This motion to seal records pertains to warrant no. **SW 5117** for the search of the
7 records of **PACIFIC BELL**, together with the supporting affidavit and the return, if any, on
8 the each such warrant. The warrant was issued on August 20, 2004. The return on the
9 warrant has not yet been filed with the court. The warrant, its supporting affidavit and the
10 return thereto, by statute, are not open to public inspection until the return to the warrant has
11 been filed or within 10 days after the warrant was issued.

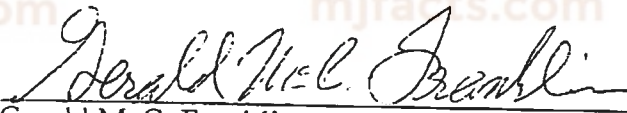

12 3. The information set out in the affidavit in support of **SW 5117** expands upon the
13 confidential information gained by investigators in the course of the ongoing investigation, set
14 out in the original warrant for the search of Neverland Ranch, most of which was sealed by
15 order of this Court pending trial in order to preserve the right of both parties to a fair trial, and
16 in subsequent warrants issued in furtherance of that investigation. In addition, the affidavit
17 makes reference to information gathered by investigators following execution of the warrant
18 for the Neverland Ranch search, which they regard as confidential and which would be
19 prejudicial to defendant's right to a fair trial if disclosed to the public prior to trial and while
20 the investigation itself is still underway.

21 4. I believe the information set out in the affidavit for each warrant is privileged
22 information within the meaning of Evidence Code sections 1040, subdivision (a) and 1042,
23 subdivision (b), and as information relating to the investigation of alleged child molestation
24 offenses, it may also be privileged pursuant to the Child Abuse and Neglect Reporting Act,
25 Penal Code sections 11164 through 1117.4. I hereby claim and assert that privilege.

26 5. I therefore believe that the interest in a fair trial overrides the public's prompt
27 access to the search warrant records and supports the sealing of those records until the
28 investigation has been concluded.

1 6. I believe an order maintaining those records under seal in the interim would avert
2 the probability of prejudice, and that no more narrowly tailored order with respect to those
3 records could be drafted to achieve the overriding interest in a fair trial.

4 I declare under penalty of perjury under the laws of California that the foregoing is
5 true and correct, except as to matters stated upon my information and belief, and as to such
6 matters I believe it to be true. I execute this declaration at Santa Barbara, California on August
7 27, 2004.

MEMORANDUM OF POINTS AND AUTHORITIES

Penal Code section 1534, subdivision (a) provides:

(a) A search warrant shall be executed and returned within 10 days after date of issuance. A warrant executed within the 10-day period shall be deemed to have been timely executed and no further showing of timeliness need be made. After the expiration of 10 days, the warrant, unless executed, is void. The documents and records of the court relating to the warrant need not be open to the public until the execution and return of the warrant or the expiration of the 10-day period after issuance. Thereafter, if the warrant has been executed, the documents and records shall be open to the public as a judicial record.

In *PSC Geothermal Services Co. v. Superior Court* (1994) 25 Cal.4th 1697, our Supreme Court noted:

“Section 1534 provides that the documents associated with the warrant are public documents 10 days after its execution. Typically after the search, arrests are made. There is no exception in the statute for instances, such as that here, where the search is used to further an ongoing investigation. Such information, however, may be privileged as official information under Evidence Code sections 1040, subdivision (a) and 1042, subdivision (b).” (*Id.*, at p. 1714.)

Evidence Code section 1040, subdivision (a) provides: “As used in this section, ‘official information’ means information acquired in confidence by a public employee in the course of his or her duty and not open, or officially disclosed, to the public prior to the time the claim of privilege is made.”

Evidence Code section 1042, subdivision (b) provides: “Notwithstanding subdivision (a) [requiring a court to make adverse findings adverse to the public entity upon any issue in a court proceeding to which privileged information is material], where a search is made pursuant to a warrant valid on its face, the public entity bringing a criminal proceeding is not required to reveal to the defendant *official information* or the identity of an informer in

1 order to establish the legality of the search or the admissibility of any evidence obtained as a
2 result of it.” (Emphasis added.)

3 The procedure for sealing records under California Rules of Court, rule 243.1 et seq.
4 applies only to records that are deemed public. (*Id.*, rule 243.1(a)(2).) Search warrants, their
5 supporting affidavits and the returns thereto are open to the public within 10 days of issuance
6 or until the warrant is executed and returned, whichever is earlier. (Pen. Code, § 1534, subd.
7 (a).)

8 Rule 243.1(d) provides that

9 The court may order that a record be filed under seal only if it
10 expressly finds facts that establish:

- 11 (1) There exists an overriding interest that overcomes the right of
12 public access to the record;
- 13 (2) The overriding interest supports sealing the record;
- 14 (3) A substantial probability exists that the overriding interest will
15 be prejudiced if the record is not sealed;
- 16 (4) The proposed sealing is narrowly tailored; and
- 17 (5) No less restrictive means exist to achieve the overriding interest.

18 Rule 243.1(e) provides, in pertinent part:

19 (1) An order sealing the record must (i) specifically set forth the
20 facts findings that support the findings and (ii) direct the sealing of
21 only those documents and pages, or, if reasonably practicable,
22 portions of those documents and pages. that contain the material that
23 needs to be placed under seal. All other portions of each documents
24 or page must be included in the public file.

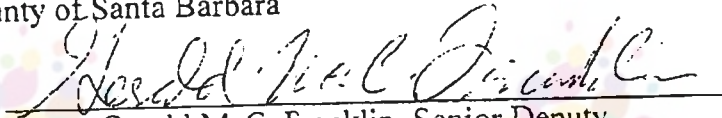

25 Rule 243.2(b) provides, in pertinent part. that “Pending the determination of the
26 motion [of a party to file a record under seal], the lodged record will be conditionally under
27 seal.”
