

SUPERIOR COURT OF CALIFORNIA, COUNTY OF SANTA BARBARA STREET ADDRESS: 312-C East Cook Street MAILING ADDRESS: P.O. Box 5369 CITY AND ZIP CODE: Santa Maria, CA 93456-5369 BRANCH NAME: Cook Division	FOR COURT USE ONLY FILED SUPERIOR COURT OF CALIFORNIA COUNTY OF SANTA BARBARA SEP 03 2004 GARY H. BLAIR, Executive Officer BY: <i>[Signature]</i> CLERK OF COURT
People of the State of California v. Michael Joe Jackson	
FINDINGS AND ORDER RE SEALING OPPOSITON AND REPLY TO MOTION TO SUPPRESS EVIDENCE (PART II)	CASE NUMBER: 1133603

On August 13, 2004, the People filed its Opposition to Defendant's Motion to Suppress Evidence (Part II) (Pen. C. § 1538.5) under conditional seal. On August 13, 2004, the Defendant files his Reply to Opposition to Motion to Suppress Evidence (Part II) (Pen. C. § 1538.5). Redacted versions of these documents were released on August 13, 2004.

The Court makes the following findings:

Each of these documents in their unredacted form identifies potential witnesses and specifies items of evidence the admissibility of which has yet to be determined by the Court and provides the identity of the minor complaining witness or his family. The Opposition and Reply to the Motion to Suppress Evidence (Part II) discusses the sufficiency of the affidavit in support of the search warrants and therefore necessarily discloses items of evidence the admissibility of which has yet to be determined by the Court and provides the identity of the minor complaining witness or his family.

In this case, protection of the Defendant's right to a fair trial and protection of the identity of the minor complaining witness and his family overcomes the right of public access to the record. A substantial probability exists that those interests will be prejudiced if the record is not sealed as requested. The intensity of the media coverage in this case is unprecedented. Each court hearing is thoroughly reported and exhaustively analyzed by the media. It is substantially probable that if the evidence expected to be given at trial were to be released pretrial, it would be similarly reported and analyzed. The sealing order is necessary to maintain the integrity of the available jury pool by limiting its exposure to the expected evidence and testimony pretrial and to prevent exposure to inadmissible items of evidence. The Court has consistently held that because of the pervasive media coverage in this case, the Defendant's right to a fair trial outweighs public access. Those findings are relevant here and incorporated by reference. [See Findings and Order re: Motion for Protective Order, filed January 23, 2004 and Findings and Order re: Sealing of Search Warrant Materials, filed January 23, 2004]

There are no less restrictive means to protect those interests. The extraordinary circumstances present in this case overcome the presumption that cautionary admonitions and instructions to the jury pool would have a curative effect. It is far more desirable to avoid the prejudice in the first instance than to hope to identify unaffected jurors later.

The Court acknowledges that its order must be narrowly tailored to accommodate the maximum public disclosure. Each document has been redacted and released in its redacted form, as indicated above.
